

Terms and Conditions

Copy Pro Service.

- * Please read carefully all terms and conditions of this agreement before you continue to use the Copy Pro service. In case you continue to browse and use this website, you agree to comply with and be obligated by the following terms and conditions of use, and every time you use the website, the current version of the terms and conditions will apply.

Copy Pro service is an electronic platform via web program provided by Caveo Brokerage to its clients exclusively to copy trades from one account to another one based on the customers settings. "Copy Pro" or "We" refers to the site owner. "You" or "Customer" refers to our site user or exhibitor using this site is subject to the following terms of use:

- * Division titles here in this agreement is for referral purposes only, and do not affect the meaning or explanation of this agreement.

1: Introduction

- Performance of traders for a previous period can't be considered as the goal for the next period, but it is an indication of what may be achieved, nor is the Provider or Copy Pro responsible for achieving the same results or compensating for any losses because the investment in general contains risk, and in return for that the profits are achieved, and without risk it is not possible to achieve any investment goals, and none of the providers get any amounts other than the profit sharing ratio, so the common goal of the provider and the customer is always to make a profit regardless of the end result.
- Copy Pro does not interpose with any mean in the results of the deals, and these results are the actual numbers achieved by the provider, and therefore you must make sure to read the expected losses before the expected profits and accept the risk percentage of those losses to achieve these profits.

2: Trading always involve risks, and we encourage you to carefully read and consider the following before taking advantage of any or all of our services:

- Any part of the site is not intended to provide, or should be construed as providing, any investment, tax, or other financial advice of any kind. You shouldn't replace professional financial advice with any part of the site. While individual participants can provide investment advice or opinions and/or execute a transaction that may be later copied by another trader, these advice, opinions, or deals are nothing but an exchange between people who may be anonymous, unknown or simply executing trades by those traders. Copy Pro does not provide investment advice directly, indirectly, by implication or in any way through making this information and/or features available to you. You should use any information you collected from this site and/or benefit from Copy Pro only as a starting point for your own independent research.
- The website, services and automatic dealing features are provided by Copy Pro for informational purposes only. Copy Pro and/or any party or item works on its behalf, including its subsidiaries, employees and agents, are not investment or financial advisors.

Any investment decisions that you may take in relation to the information that is available on our website or as a result of using the trading features of Copy Pro, are at your own risk and your business trading, its partners, affiliates, and affiliated employees for any losses that may persist. You are the sole responsible person for determining whether any investment, strategy, or other product or service is appropriate or right to you based on your investment objectives and your personal and financial situation.

- In case you decide to copy specific traders and/or trades and/or enter into transactions based on the content on the site, therefore this decisions, transactions and any consequences that affect your account are your sole responsibility.
- You can achieve a substantially different result than your Copy Pro system that you followed, especially if you place additional trades in your account or modify or cancel an order created by the Copy Pro system.
- Any previous performance referenced on this site does not indicate future results. Anyone invests should be able and prepared to fully bear the loss of his investment. You are fully responsible for any losses you may incur as a result of the automatic execution of instructions created as a result of using any of the Copy Pro trading features.

3: Services

- You acknowledge that there is a risk that the site may unintentionally contain incomplete, incorrect, inaccurate, misleading and/or false information.
- The content of the website pages is for the purpose of your general information only, without any liability or responsibility related to this information or resulting from it. The content is subject to change without any notice.
- Neither we nor any third party provide any warranty or guarantee related to the information on the website, including but not limited to, the accuracy of the information and materials found or displayed on the website or their timely availability, performance, completeness or suitability for any purpose. You acknowledge that those information and materials may contain inaccurate details or contain errors, and we expressly exclude liability for any such errors or any other errors to the maximum extent permitted by law.
- Your use of any information or materials on the website is entirely at your own risk, and we will not be responsible for it. It is your responsibility to make sure that any products, services or information available through the website meet your specific requirements.
- This website contains material which is owned by or licensed for us. This material includes, but is not limited to, the design, layout, look, appearance, graphics and any information or materials that you provide. We are free to use, for any purpose, any and all ideas, concepts, know-how, technologies or other information that you submit to the website. Reproduction is a prohibited act by law.

4: Fees

- Every provider has the right to choose the percentage of profits from the results of trades that he shares with investors, which ranges from (%0 to %35).
